Seconded by: Gokey AIF Motion Carried

*Sand Lake Easter Egg Scramble Event.

Wright asked why are we charging for children's events? This will be reviewed.

Motion to accept by: Helton

Seconded by: Doerr

*Dancing under the stars on Lake St. event.

Rudicil would still like to see this happen, would be a good thing for the village to have. We need to address the concerns. Table till April Meeting.

Motioned by: Rudicil

Seconded by: Wright AIF Motion Carried

Public Comments – Opened at 7:55pm

*Theresa Jerome- Would like to see the Under the Stars event for Cedar Springs Prom. My daughter goes to Cedar School. Committee needs to recognizes a lot who live in Sand Lake go to Cedar or Tri-County school districts.

*Aaron McLaughlin-said he was a Cedar Springs graduate and the kids need this-we all need this. The business owner that posted needs to cut it out. How things fell apart is repugnant.

*Tracy Quinlan 411 E. Lake St. Inappropriate names at start of meeting making inappropriate gestures happening on screen with people making rude actions. We need to be a where of it. On Litigation hold, so cannot say the things would like too.

*Marty Helton-Can hear people well, but Audio and video poor.

*GalaxyS8 Chris Mr. E's Pizza- Not making concerns about not wanting CS Prom, but wanted more thought out on the event. Concerned about closing both Friday and Saturday. Doerr commented would not be closing on Saturday.

*Tom Gore 210 W. Oak St. Facebook comment is not view of the Sand Lake Board and believe we will do the Best for the Village and Cedar Springs. People just need to give them a chance.

*Robyn Britton-Nelson TWP Staff wanted to let us know it has been a joy working with Marcia, Mollie, Zach, and Jan.

*Karen Boluyt-Asking who has been filled in for Clerk and Treasurer positions? Asked Marcia if we were charged for using park when we did Easter Egg Hunt? Asking about deferment of Aaron?

*Johnalee Kleck-Wanted to know if public can receive material that is in the council's packet?

Public Comment Closed at 8:20pm.
