

Village of Sand Lake

October 2023

Presidents Report

Fall is here and cooler weather is approaching. Holidays are right around the corner! That means exciting events for the community.

Small Town Market October 21st 9am-1pm
Set up outside the Hub and white pine trail.

Thanksgiving Community Dinner
Location: Community building
Time: 12pm-2pm

Christmas Community Dinner on December 22nd
Location: Community building
Time: 5pm-7pm

Sand Lake Christmas Celebration on Dec 8th
Details to follow

So very excited to see out road project starting, what an improvement to Sand Lake's roads.

Just a reminder, starting November 1st no parking on Mainstreet during 2am-6am for snowplowing. The DPW will also be salting sidewalks on Mainstreet in the business District starting this year.

Thank you
Mollie Doerr

Life in the DPW

The leaves have begun to fall and the air is definitely getting cooler and crisper. Speaking of leaves, leaf pick up will begin the week of October 16 and will continue until the snow prohibits. Also, if you have yard debris such as grass, garden material and the like, please put those in a lawn and leaf bag and we will be glad to pick those up as well.

September and the first part of October have been very busy as we have had to do many state- mandated operations. We have done our annual drinking water samples including Lead and Copper testing (which came out very well), annual soil testing at the WWTP and annual biosolids reporting. Along with all this, we have been busy trying to discharge at the plant to create enough holding for the winter months.

Our local road project has been completed giving us some much-needed improvements on five of our streets. Other road projects in the planning stages are chip sealing of west Lake Street along with some local streets and the rehabilitation of east Lake Street.

Be safe out there.

Reminders:

Trash pickup is Thursday mornings.

Recycling this month will be 10/26/23.

Brush pickup every 1st & 3rd Thursday. (Morning)

Leaf pickup will begin soon

Next regular meeting November 20th, 7:00PM

Utilities due by October 31
