

Village of Sand Lake

July 2024

Presidents Report

I hope you are enjoying your summer so far. Take a stroll downtown for some shopping or a tasty treat, and then go enjoy our beautiful park.

Come check out Sand Lake's farmers market on Saturdays
9:00 am-12:00 pm.

We have had a busy month with the 154th Fourth of July celebration.

The Sand Lake Fourth of July festival was a success. The event, organized by the Sand Lake Chamber of Commerce and supported by numerous volunteers, brought the community together for a week filled with fun and celebration. The festivities included The Grand Parade, live music, a carnival in the park, a rodeo, delicious food vendors, and spectacular fireworks display that lit up the night sky, just to name a few. Overall, it was a fantastic festival that truly captured the spirit of the Fourth of July.

Thank you

Mollie Doerr

Life in the DPW

As we write this letter, we have experienced another successful 4th of July celebration. A big "THANK YOU" to all who volunteered, especially those who helped with the cleanup. At the previous Council meeting, the Council approved the hiring of USG Water for our contracted water tower maintenance. This will go a long way towards maintaining and preserving our biggest asset. It won't be long and we will begin to see work being done such as power washing the exterior, the cleaning of the inside, the installation of a mixer and fixing the mud valve. This work will help with not only aesthetics but also water quality. We are hopeful that the work will be done by the middle of September. Brush pickup continues to be on the 1st and 3rd Thursdays of each month. Grass clippings and flower trimmings will be picked up any day of the week as long as it is in a lawn and leaf bag. If you enjoy heat and humidity, this is your summer. For those of you who don't, hang on, it won't be long and fall will be here.

Reminders:

Trash pickup is Thursday mornings.

Brush pickup every 1st & 3rd Thursday. (Morning)

Please put Lawn debris in bags.

Next regular meeting Aug 19th.

Zoning Reminder:

Unlicensed Or Inoperable Vehicles

Due to the amount of Unlicensed or Inoperable Vehicles noticed recently. Village Zoning and Code Enforcement would like to remind everyone of the Zoning Ordinance chapter 3 section 3.29 (which can be found on the Village website)

3.29 (c)

No person in charge or control of any property with the village, whether as owner, tenant, occupant, lessee or otherwise shall allow any partially dismantled, non-operating, wrecked, junk or discarded vehicle to remain on such property longer than (30) days;
