

Village of Sand Lake 2024 tree bids

The Village of Sand Lake is accepting bids for tree removal and stump grinding for five trees within the Village limits. Bids must be received by the end of the day on July 24, 2024.

Location of trees are as follows.

Two trees at Sand Lake Cemetery located on Ritchie Rd marked with large blue X.

One tree in Salisbury Park located on the south side of Park marked with large blue X.

One tree at 138 W Oak St marked with large blue X.

One tree at 159 W Lake St marked with large blue X.

All stumps will need to be ground down to at least six inches below grade and dispose of grindings. All brush up to three inches will need to be chipped and disposed of offsite. The two trees at the Cemetery must be fully cleaned up. We would ask that the tree work be done by 9/30/2024.

Any questions, please contact Ryan at (269) 967-3173.
